

# 24-HR TECHNICAL SUPPORT

## Availability and Support When You Need It.

Within the U.S.A.: +1 800 770 1275

Outside of the U.S.A.: +44 (0) 1224 560 909

***Schilling is proud to launch an upgraded Technical Support System to ensure that we provide prompt attention to all of our customers worldwide.***

- Technical Support 24-hours per Day, 7 Days per Week
- Prompt, Accurate, Personal Support
- One Centralized Point of Contact
- Comprehensive Engineering and Technical Support

In line with Schilling's expanding global business, we understand that customer access to the best technical support is essential. Schilling's 24-hour call center operators will log your request, give you a reference number, and directly transfer you to a Schilling technical support representative.

### **Information that Will be Requested When Calling:**

- Your Name and Company
- Telephone Number that You are Calling From
- Your Email Address
- Brief Description of the Problem
